Team Nice Côte d'Azur is organizing a Life Sciences Investment event 'Unlocking Life Sciences Opportunities in the South of France' on April 23 in Nice

Don't miss the chance to unlock new business opportunities and explore high-impact investments in Life Sciences in the Côte d'Azur!

This high-level event, co-organized by Team Nice Côte d'Azur, SIC Venture Studio, Université Côte d'Azur, Ulysseus, Eurobiomed, and supported by RisingSud, is designed for investors, industry leaders, and innovators seeking to explore strategic investment opportunities in the thriving Life Sciences sector in the region.

The event will take place at EDHEC Business School in Nice on the 23rd of April from 2 pm to 6 pm.

What attendees can expect ?

Attendees will have the opportunity to explore major investment-ready projects in the Life Sciences sector, connect with key players in equity investment, academia, and innovation, and gain insights into the region's investment landscape and growth potential.

During the afternoon, attendees will gain insights into the following topics:

- **The attractiveness of the South of France**, with an overview of the region's strengths, including R&D hubs, a skilled workforce, and investor incentives.
- **Key players driving healthcare** innovation in the French Riviera.
- **Investment opportunities and foreign capital** in French startups, with a focus on how the local ecosystem fosters innovation and provides opportunities for international investors in the South of France.

**UNLOCKING LIFE
SCIENCES
OPPORTUNITIES
IN THE SOUTH OF
FRANCE**

April 22nd to 25th
Nice, FRANCE
